

## CHEEVERSTOWN

A FUTURE WHICH EMPOWERS PEOPLE WITH INTELLECTUAL  
DISABILITIES TO REALISE THEIR POTENTIAL AND LIVE A GOOD LIFE.

31<sup>st</sup> May 2021

Dear All,

Cheeverstown will commence the roll out of the second dose AstraZeneca vaccination to all adults supported by Cheeverstown Services in the coming weeks. We very much welcome this step forward for the people we support.

### People we support in residential & supported living

People supported in our residential and supported living services will receive their 2<sup>nd</sup> dose here in a hub run by Cheeverstown trained staff supported by the HSE. This is scheduled for Friday 4<sup>th</sup> June. Staff are supporting the residents in preparation for this.

We will continue to follow the guidance of the HSE with regard to recommendations to visiting, but following overall vaccination, we most definitely look forward to a summer of more family time.

### People we support in our New Directions / Day Services

Further vaccination hubs will then take place in Cheeverstown to support those who attend our day services to receive their 2<sup>nd</sup> dose vaccine in the coming weeks. Managers will confirm this with the people we support and their families as soon as we have a confirmed schedule. For people living at home with their families, family members supporting people to come to their appointment and support the person at the appointment is very important.

We look forward to reviewing our level of supports in line with HSE and safety recommendations after the vaccination programme is completed. Society slowly reopening creates opportunities for community connections once more.

### Staff

Our committed staff are also now receiving their 2<sup>nd</sup> dose vaccinations these weeks. We very much thank our staff for their ongoing support and the resilience they have shown over the past year.

If you have any queries please don't hesitate to contact your area manager.

Yours sincerely,

*Denise Fahy*

*Director of Operations & Service Developments*
