TOWARDS A FUTURE WHICH RESPECTS THE CONTRIBUTION & INCLUSION  
OF PEOPLE WITH AN INTELLECTUAL DISABILITY.

18<sup>th</sup> September 2020

Dear Family Member,

We wish to update you in relation to the current situation at Cheeverstown House in relation to COVID 19 restrictions.

As of Sunday the 13<sup>th</sup> of September new guidance was issued to us by the Department of Health reducing the numbers of visitors to each home for the next 3 weeks to one nominated visitor per resident & this situation is being kept under review.

It is now anticipated that further restrictions will be issued to Dublin tonight which appears to indicate that Level 3 Government restrictions will be applied. This, once confirmed will mean 'Long-term residential care facilities (nursing and care homes) will have visits suspended, aside from critical and compassionate circumstances'

For any planned or confirmed visits already agreed there will be a member of the staff team contacting you directly to discuss and rearrange.

While we are not at outbreak status it is important that we share with you that we now have a small number of confirmed/suspected Covid-19 cases among the people we support. We are working at all levels to ensure the monitoring and responsive care required is in place throughout the day.

Yours sincerely,
