

CHEEVERSTOWN

TOWARDS A FUTURE WHICH RESPECTS THE CONTRIBUTION & INCLUSION
OF PEOPLE WITH AN INTELLECTUAL DISABILITY.

22nd May 2020

Dear Family Member,

Thank you for your continued co-operation with Cheeverstown as we support your family member in the safest way possible.

Cheeverstown Campus and Designated Centre 7 have had positive cases of COVID-19 and are considered outbreak sites. We continue to work in partnership with Public Health and the HSE to manage this, and provide safe care and support to our residents. Staff remain vigilant to Infection Prevention and Control precautions. Restrictions with regard to visiting remain in place as outlined in my previous letter (available on website).

The organisation is reviewing how we deliver day services and respite services taking into consideration the measures required to minimise the transmission of COVID-19. For example, large number of people cannot be present in a single location. Specific Infection Prevention and Control practices must be implemented. There are training considerations for both staff and those people attending services. When re-opening, this will be done through a phased approach. However, these services will be delivered in a different arrangement than heretofore as the service will comply with measures such as safe social distancing. The organisation is committed to the health and wellbeing of both service users and staff in this present COVID-19 pandemic.

We understand the additional pressure this has placed on people we support and their families and our clinical and social work services are in regular contact with families. We thank you for your continued understanding and support during these unprecedented times.

Yours sincerely,

TJ Duggan
