## **COVID 19 update for Families of People Supported by Cheeverstown**

Dear All,

I write to thank you for your continued co-operation with Cheeverstown as we support your family member in the safest way possible.

While there are still a small number of residents on campus who have tested positive for COVID 19, these residents continued to be managed very well and staff are supporting these residents in compliance with guidance from the Department of Public Health and the HSE. Again, all residents of Cheeverstown Community Houses and Supported Living are doing very well.

In this regard, Cheeverstown are extending the blanket testing of residents to include people who are living in Cheeverstown's community based homes. This will involve everyone living and working in Cheeverstown Community Homes being swabbed by members of the National Ambulance Service tomorrow, Friday, 7<sup>th</sup> May. Managers have been in contact with the families of the people who will be involved in this initiative.

Thank you sincerely for your continued support. Keep well.

Kind regards,

TJ Duggan  
Chief Executive Officer
